

The list of professionals that attended the **2019 Auto Intel Summit** included many of the auto industry's leading companies, OEMs, fintech startups, digital retailing front-runners and more. AIS 2019 attendees represented it all. The three largest groups of attendees included professionals from auto finance companies, franchised dealers and auto-industry vendors. See below for a window into the 2019 gathering of professionals at the edge of technology in auto, that reads like a who's who of the auto biz.
